24K Golden Probe

Price per Unit (piece): \$85.00

The Toy, The tool, The Wand, to pleasure the Popper
The sensuous Ribbed probe popper

Dimensions:

shaft 1.2" Length w/ handle – 8"

One of our more popular toys! Our unique design features reverse swirls and implosion spirals guaranteed to bring you the ultimate erotic experience. The Ribbed design graduates along the shaft enhancing girth as it is inserted providing a wonderful combination of sensations that enhance your experience. The long handle is carefully designed to provide easy gripping and manipulation of the toy. As an added benefit, this toy can be used for anal pleasure.

All toys are handmade in the U.S.A. with precision and care and always properly annealed and polariscope tested.

Details:

Toys are 100% pyrex glass, Durable, Cleanable, and most of all DEPENDABLE! Glass can be heated or chilled (within reason), and is dishwasher safe. Either water-based or silicon-based lube can be used with glass toys.
